**Subject:** Join Us for REACH Casual Friday – Oct 24 | Getting to Know the REACH Network

## NEWSLETTER

### Join the First REACH Community Discussion

We're excited to invite you to our **first REACH Casual Friday** session on **Friday, October 24 at 1PM ET**, where you'll have an opportunity to get to know other members of the REACH network and talk about key issues facing research analytics and evaluation professionals.

This session will be facilitated by Andrea Christelle, Vice Provost for Research at Diné College.

Andrea will kick off the session with a 20-minute presentation introducing REACH, our growing network of research and evaluation professionals, and highlighting our goals, upcoming plans, and how we aim to sustain a collaborative and values-driven research community.

Following the talk, you'll take part in a 30-minute interactive breakout session, designed to:

- Connect with colleagues across institutions,
- Share your interests and roles in research analytics and evaluation,
- Begin framing shared questions and challenges to explore together.

This is the first in a series of monthly casual Fridays focused on:

- Building professional community,
- Sharing technical strategies and accomplishments, and
- Deepening collaboration in research analytics and evaluation.

**Date:** Friday, October 24

**Time:** 1:00 – 2:00PM ET

**Location:** Zoom – [Click here if you plan to attend](#)
